Nationales Luft- und Raumfahrt ZfP-Komitee
National Aerospace NDT Board (NANDTB) Austria

LETTER OF NOTIFICATION

No. 03/2019

Approved auditors of the NANDTB Austria

The National Aerospace NDT Board of Austria, a committee of the Austrian Society of Non-destructive Testing (ÖGfZP) and accepted in May 2005 by the National Authority (Austro Control) has agreed upon statements mentioned below:

Following members of the NANDTB Austria are authorized to perform audits on behalf of the NANDTB Austria in accordance of EN 4179/NAS 410.

Ing. Gerhard AUFRICHT (member of the program committee)

Ing. Helmuth HÖLLER (vice chairman)

Ing. Josef MAIER (member of the program committee)

Ing. Roman WOTTLE (chairman)

Employers (companies) which are authorized or a candidate for authorization, to perform in house training, examination and in house requalification has to be audited.

In conjunction with an authorization of the ÖGfZP as auditor, above mentioned members are also authorized to perform audits at authorized outside agencies.

Update:

The list of approved auditors will be updated annually if necessary.

Roman Wottle
Chairman, NANDTB Austria
